

StoryCorps®

tell your story.
pass it on.

StoryCorps is an independent nonprofit whose mission is to provide Americans of all backgrounds and beliefs with the opportunity to record, share, and preserve the stories of our lives.

StoryCorps is one of the largest national oral history projects of its kind, traveling the country year-round to record and preserve the stories of everyday people. By capturing these stories, StoryCorps honors our shared history and creates a growing portrait of who we really are as a nation. We're proud to reach millions of listeners on NPR's *Morning Edition* and on storycorps.org.
